PAST WORK

Calico Theatre Company, Technical Director

Sep 2023 - Feb 2024

- Responsible for coordinating the technical team and delivering a VR product to the vision of the creative team, using a mix of video editing, verbatim theatre and Unity development.
- Managed a team of multi-disciplinary artists and technologists to a £12k budget, tested development builds through community focus groups to ensure verbatim aspects were earnestly implemented.
- Successfully delivered product on schedule across West Midlands Combined Authority as a VR training tool for police officers and transport officials, showcased at Women's Safety Charter Launch in Coventry with the Mayor of the West Midlands.

3BUGS Theatre Company, Writer/Director

Jan 2022 - Aug 2022

- Wrote a play for performance at the Edinburgh Fringe, devising and co-creating large elements of the performance in communication with the cast and creative crew.
- Directed and managed a cast and crew of ten for a two week performance run.
- Managed an £8k budget and organised fundraising events for the run, finding low-tech and DIY solutions to save space in the budget.

DragonSquad Esports, Producer

Feb 2021 - Jul 2021

- Produced a 10 Hour marathon charity stream for the videogame 'Hades', reaching a peak of 1000 viewers and raising over 4000 US dollars for Trans Lifeline.
- Managed advertising and marketing, coordinating an entirely digital campaign, hosting run-up events to build hype and networking with similar events to ensure success for ours.
- Hosted sections of the stream, reacting quickly behind the scenes and in live announcements to issues identified by staff and audience.
